

Dear Parents and Carers,

Every fortnight your child can choose a different activity from this list to complete for shared learning to be handed in on Friday. Each activity is worth 5 House Points and should be completed to an excellent standard.

They can be completed in any order and complement the work we will be doing in class.

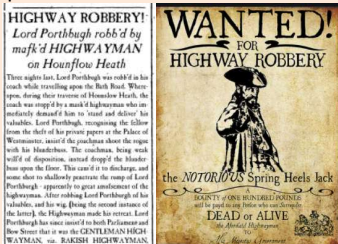

I look forward to seeing these exciting projects,

Kindest regards,  
Miss Langston Year 5/6 Teacher

## PROJECT 1: Writing

Choose **one** of these writing tasks:

- Write a newspaper report about a real or imaginary crime
- Create a wanted poster for a criminal

## PROJECT 2: ART/DT

- Draw or create an architectural plan or model of your house

## Englefield CE Primary School

## Shared Learning

## Spring 2

## PROJECT 6: Reading

- Read the Newspaper
- Make a note of any news stories you were interested in

## PROJECT 7: PSICHE

- Find out about ways in which you can keep healthy
- Keep track of your food, sleep and well being

## PROJECT 3: Humanities

- Research the local area.
- Can you find out about Englefield House?
- What can you find out about Reading Abbey?
- Can you find any interesting facts about Reading Jail?

## PROJECT 4: ICT

- Find out about your family by interviewing your relatives
- Create your own family tree using a computer

## PROJECT 5: Science

- Make a working model of the heart using equipment at home
